The Epistle of St. Paul's

From The Pastor's Desk...

This month is notable for several reasons: the first day of spring, the return of Daylight Savings Time, and the start of Holy Week, just to name a few. Perhaps an equally significant milestone will take place on March 14: we will mark one year since we last gathered in the sanctuary for in-person worship.

The year has seen our worship remain a vital part of our common life, and I am grateful for the continued efforts on the part of so many for the participation in the planning and sharing of worship via Zoom. The Worship Team (Amy Abshire, Angela Baker, Martha Batch, Don Berlin, & Judy Waller) has been a wonderful partner in supporting the transition from the familiar to the virtual over the past year. Likewise, all who have shared their musical gifts (Don Berlin, Wally Cleveland, Louise Cook, Tim Cook, Lorie Courier, Rebecca Glancy, Hannah Gu, Steve & Michele Matthews, Bob Muckle, Suzanne Polacek, Ron Revier, & Christopher Wahl plus Alpha & Omega and Jubilate Ringers) and those who have given of themselves in our worship as liturgists, readers, and speakers have been a blessing to us all. And of course, we can all appreciate the efforts Scott Glancy has done each week with the Zoom slides and Belinda Alkula for recording the service for our YouTube channel.

We have been blessed with friends and family who have joined us for worship from across Colorado and elsewhere in the nation. We have been able to share the gift of Ash Wednesday, the joy of Easter, and the wonder of Christmas. We have celebrated communion and shared in our joys and concerns each week, thanks to the wonders of technology and the faithfulness of this congregation.

The last year since we gathered for in-person worship has been challenging to be sure, and yet, I would submit for your consideration that what has come out of this time is a community of faith whose love of God and for the world has not been dimmed in the slightest. We know that it isn't a place that makes us the people of God, it is love, and love alone that binds us together in praise and thanksgiving to our Creator. It is Christ's love for us that has brought us thus far and whose love will remain with us as we make our way through this challenging time. It is the presence of the Holy Spirit, the presence which reminds us daily of our connection to the Source of All Love, who will be with us as we journey through this time and will celebrate with us when next we gather to ask the Lord's blessing at the corner of Gilaspie and Grinnell.

Every blessing, Pastor Charles

Thank you for your support of EFAA’s Food Bank! While the church building is closed, St. Paul’s efforts have shifted from our food pantry to EFAA’s food bank. We adopted a cereal shelf (\$40/month) and have donated enough money to stock that shelf through August 2023 (\$1290)—wow! We have also sponsored an egg shelf (\$100/month) through April 2021 (\$325 total). Plus \$58.33 was donated for EFAA’s general fund. Please consider making any additional donations to EFAA’s general fund so they can apply it where the need is greatest. Thank you for your gracious generosity.
